

MEET OUR FUTURE OLYMPIANS!

Did you know that The Royal Canadian Legion has been sponsoring the youth of Canada by hosting an annual Youth Track & Field Championship since 1977?

The Royal Canadian Legion National Track & Field Championship is a high-level competition; the participating athletes are a step away from the Olympics.

One important aspect of this event is the chaperones; they take care of our athletes while they are away from home. **Quebec Provincial Command is looking for 4 chaperones: 2 men and 2 women, for the 2019 Championship which will be held in Cape Breton, Nova Scotia, August 6 to 13.**

Chaperones will be responsible for athletes aged 14-17. Transport from Montreal, lodging (private room in a University residence) and all meals are paid.

Interested parties should meet the following criteria:

- Must be able to get by in both official languages
- Must be willing to provide a police record check (paid for by Command)
- Must be available August 6-13, 2019.

Interested parties are asked to send a short letter of application, including a short biography, to the Provincial Executive Director, Paulette Cook, by email at rclegionrc@videotron.ca or by fax at 514 866-6303.

Before applying, please make sure to read the Dominion Command document on the Chaperones Duties and Responsibilities.

For any question, you can contact Comrade Norman Shelton, Provincial Sports Chairman, at shelton60@hotmail.com.

In comradeship,

Norman Shelton

Provincial Sports Chairman
