

VOLUNTEERS NEEDED!!!

“Women Veterans Experiencing Homelessness”

Principal Investigator: Dr. Cheryl Forchuk

This study titled "**Canadian Women Veterans Experiencing Homelessness: Current State and Suggested Solutions**" is looking to explore the current situation for homelessness among Women Veterans and create guidelines to provide better support.

If you have experience of homelessness, are a Veteran of the Canadian Armed Forces or RCMP and a woman, you may be interested in joining our study.

We would like to invite you to take part in an interview where you will complete questionnaires and an open discussion with your thoughts and opinions.

The interview will take no longer than 1 hour, and you will be compensated for your time. Interviews can also be done by telephone or via Zoom if needed.

You can have your voice heard and help create improvements for others!
